To Whom It May Concern,

Subject: Authorised Manufacturer and Distributor of Collapsible Maintenance Idler Frames (CMIF)

This letter serves to confirm that Belt Brokers Pty Ltd has been formally appointed as the authorised manufacturer and distributor of our Collapsible Maintenance Idler Frame design developed and owned by MTech Engineering & Profiling Pty Ltd within the territory of Africa.

Belt Brokers Pty Ltd is authorised to:

- Manufacture the collapsible maintenance idler frames in accordance with the specifications, design, and quality standards.
- Market, promote, and distribute the product throughout Africa.
- Represent the product and its associated intellectual property in good faith and in line with our brand values.

This authorization is granted effective from 23/12/2024 and shall remain valid as per the distribution agreements signed by both parties. All intellectual property rights in the collapsible maintenance idler frame remain the sole property of MTech Engineering & Profiling Pty Ltd.

Please accept this letter as formal proof of authorization.

Should you require any further information or clarification, do not hesitate to contact us directly.

Yours faithfully,

Regards,

Jacques Meyer (MIEAust, CPEng, NER)
